

## 2022 Fall Parent Survey Results

### Survey Responses and Overall Satisfaction

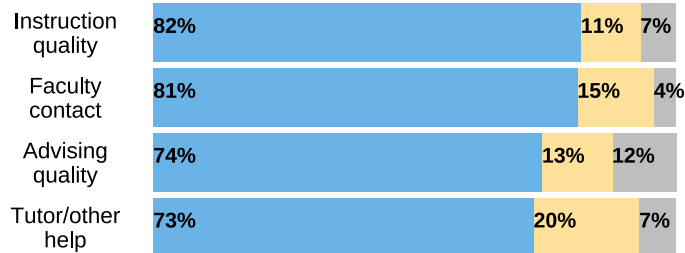

N=284

The 2022 Fall Parent Survey received 284 responses, representing a 19% response rate. Among those respondents, 84% of parents are satisfied with their students' experiences at Lasell.

### Satisfaction

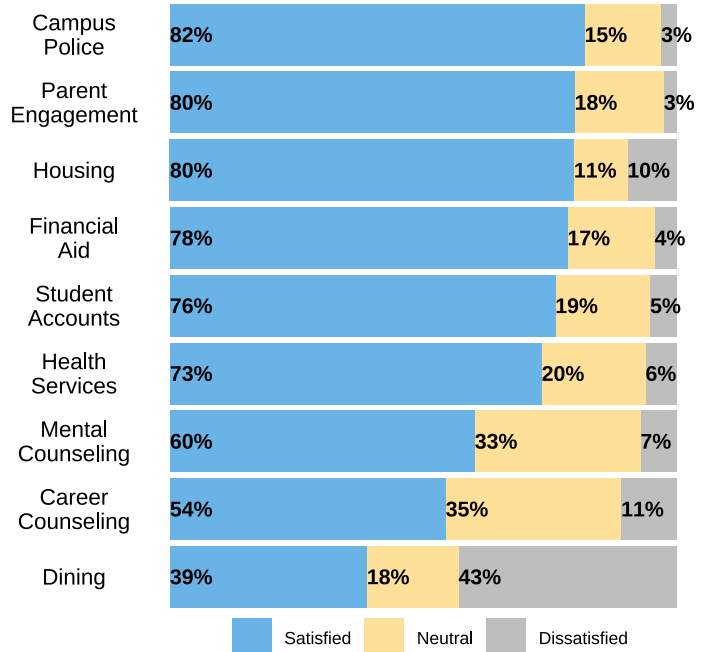

#### Satisfaction in Students' Academic Experiences

#### Satisfaction in Campus Life

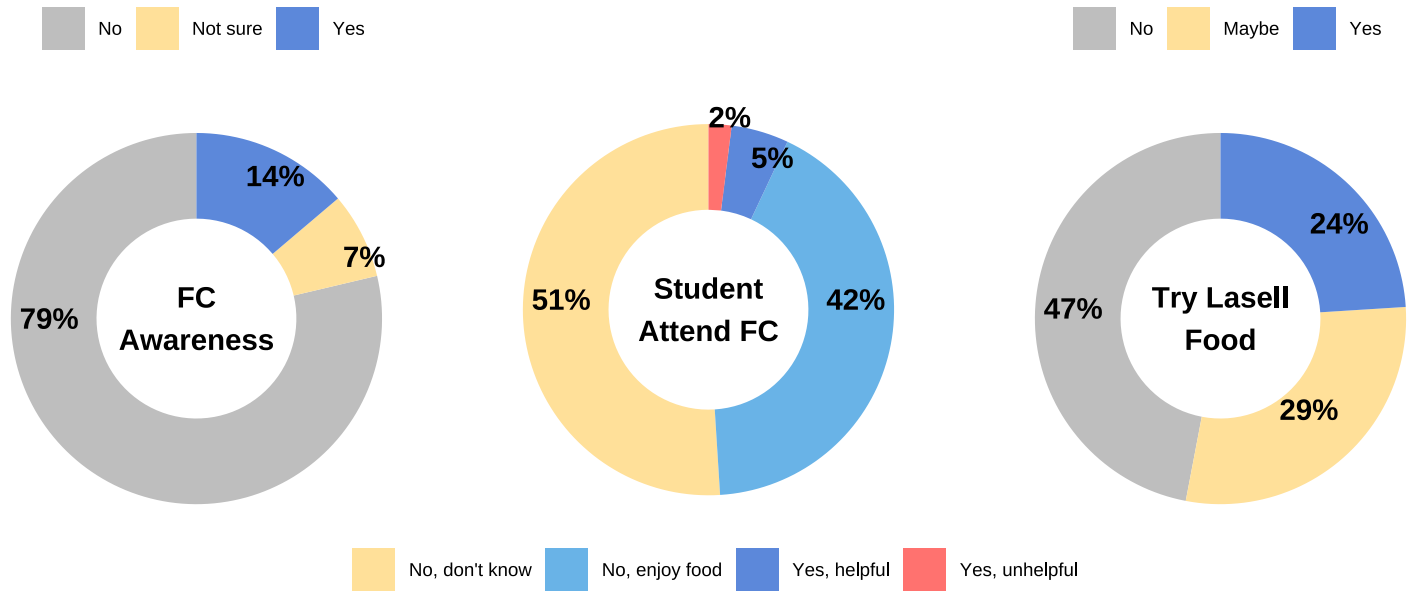

#### Satisfaction in Services and Facilities

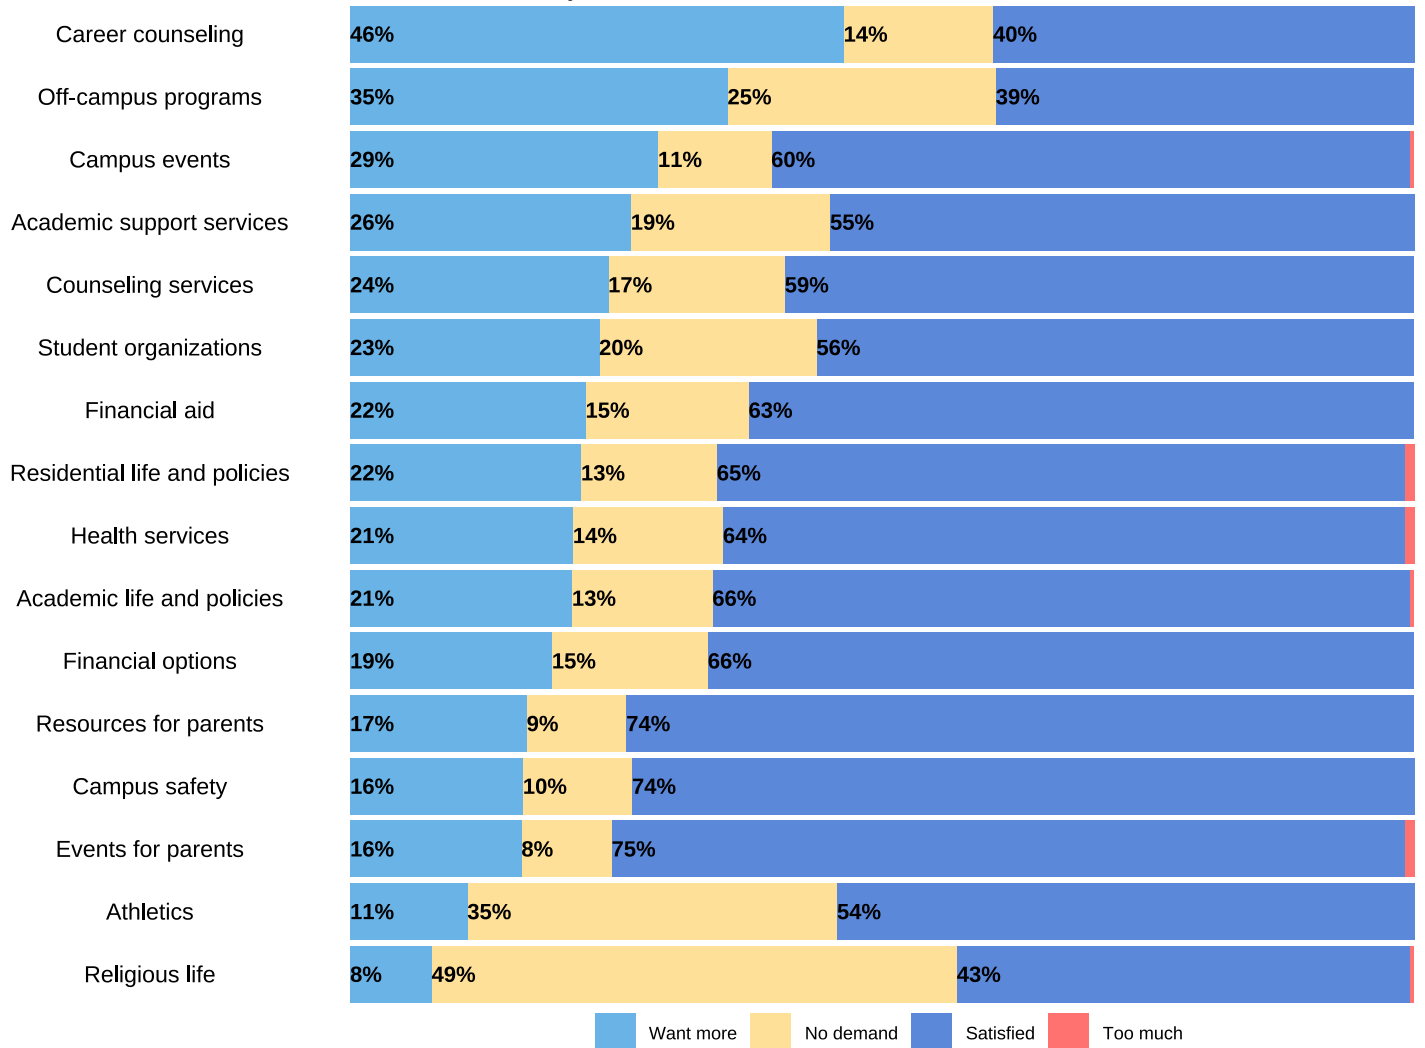

Most of parents are satisfied with students' academic experiences, campus life, and most of Lasell services and facilities. However, only 39% of parents are satisfied with **dining services** at Lasell. Some other areas to improve may include **career counseling** and **mental counseling** services, which respectively received 54% and 60% satisfaction rate from parents. **Social life on campus** can be another aspect to improve based on its 63% parents' satisfaction rate.
